ENROLLMENT AGREEMENT 2020 – 2021

Part I: Student

Name of Student (English): _____

I fully understand that the YMCA of Hong Kong Christian College is a school founded by the YMCA of Hong Kong and is conducted under Christian principles. I also fully understand that I am expected to respect and participate in any and all school activities normally and customarily associated with a Christian secondary school. This includes participating in school assemblies and religious education classes and courses. I understand that I am expected to participate in these activities and show due respect.

As a student enrolled in YMCA of Hong Kong Christian College, I pledge on my honour to do my best to live up to the school's expectations, put the five core values into practice and to behave appropriately both in and out of class. I also agree that if I break any of the rules, I will have to accept the consequences given by the school even to the degree of summary expulsion from the school. I expressly agree to abide by the school uniform policy. I promise to wear the prescribed school uniform (including the PE/swimming uniform) with pride. I understand that any modifications to the school uniform, including additions or subtractions that may draw attention to faith-based differences, are not permitted. I will not wear items of clothing additional to the published school uniform nor will I neglect to wear items that are included in the policy. I will bring my Student Handbook to school every day and ask my parents to sign it weekly.

I agree to bring my MacBook to school every day and take full responsibility for looking after it. I understand that the MacBook is brought to school entirely at my own risk and that the school will not be responsible for any damage or loss.

I agree to use my MacBook in accordance with the YHKCC ICT Responsible Use Policy. I will only use it for academic purposes during lessons and study periods. I will use it in class only after I have obtained permission from the subject teacher. I will not use it for social networking or entertainment purposes, e.g. listening to music, watching videos, playing games, etc. I will not delete any software applications installed on my MacBook by the school.

I understand that if I do not use my MacBook in accordance with the school's expectations, it may be confiscated for a specified period of time.

I have read and agree to all of the items above. (*Please ✓ the box.*)

Part II: Parent

Since the YMCA of Hong Kong Christian College receives a DSS subsidy from the government, the school is bound by certain EDB regulations. The school is only permitted to offer UK GCE Advanced Levels in Forms 5 and 6 on the condition that students predominantly follow the local HKDSE curriculum. Places on the GCE 'A' Level programme are therefore limited to a maximum of 80 students. I understand that even though my child is admitted to the school, this does not guarantee that s/he will be able to study GCE 'A' Levels in Forms 5 and 6. Acceptance to study GCE 'A' Levels depends on a combination of factors, including IGCSE examination results, academic performance in Form 4, school reports, teacher recommendations and an interview.

Non-local children holding a student visa are not eligible to receive the government subsidy according to the EDB policy. These students will have to pay the differential full fee.

I understand that the school will try to allocate students (Form 3 to Form 6) to subjects according to their preference, but the final decision will be based on the students' academic performance at that time and the availability of places in their choices.

I also agree to pay reasonably for any damage to school property caused by my child's behaviour or misbehaviour at school, whether deliberately or unintentionally.

I agree that my child must join all school activities and camps (e.g. pre-Form 1 Enhancement Course (if required), pre-Form 1 Summer Bridging Course, Assemblies, Life-wide learning Camps, Service trips, etc.) and pay her/his school fees through Direct Debit directly from my bank account. I understand that the school has the right to adjust fees upon EDB approval and terminate my child's school place if I do not pay the fees on time. I also understand that the School Fee Remission Scheme, operated and funded by the YMCA of Hong Kong Christian College, is intended to help provide financial assistance for payment of school fees for students with financial difficulties. (NB. The amount of the subsidy approved depends on the amount of funding available in a particular year and that it is subject to approval by the school.)

I acknowledge that CCTVs are installed in the school for security purposes. I give permission to the school to include my child in videos / photographs for the purpose of school promotion.

I understand and support the school system. I will read the school rules/regulations listed in the Student Handbook. My child will give due respect to and follow every school regulation. I will accept the consequences given by the school to my child for her/his misbehaviour even to the degree of summary expulsion from the school. I understand that serious violations may be reported to the Hong Kong Police Force.

I understand there is a student support team in the school. I agree to allow my child to undergo necessary and appropriate assessments if there is an academic or behavioural concern raised by the school.

I understand that the use and possession of mind-altering substances is strictly prohibited on school property, during the school day and at all events. I agree, at my own expense, to allow my child to undergo the school's drug test if my child is suspected in this regard.

In accordance with the personal data policy of the school and Personal Data Ordinance, I agree to have my child's personal data kept with the school even after s/he has left school, for her/his own or future employer's reference or to provide statistics/enquiries related to the school.

I understand that I need to purchase a MacBook for my child in accordance with the school's requirements. My child will take full responsibility for looking after the MacBook and I will not hold the school responsible for any damage or loss. I will ensure that my child does not delete any software applications installed on the MacBook by the school. I understand that my child is expected to use her/his MacBook in accordance with the YHKCC ICT Responsible Use Policy. I understand that if my child does not use her/his MacBook in accordance with the school's expectations, it may be confiscated for a specified period of time.

I have read and agree to all of the items above. I understand and agree that the school will terminate my child's place in the YHKCC if we do not comply fully with both parts (Part I and Part II) of this Enrollment Agreement. (*Please ✓ the box.*)
