*Thank you. Please be prepared to be interviewed on the personal statement you have written.*

Notes:

1. Please note that the final decision will be made by the school and is subject to performance in the Form 4 internal examinations, fulfillment of prerequisite academic standards and places available in each of the streams. (NB. There are only 80 places available in the International Stream.)
2. Students will probably be required to take benchmark tests to assess their suitability to study particular subjects.
3. Promotion to Form 5 is not automatic and will depend on academic performance in Form 4, an attendance rate of at least 90%, teacher’s recommendations and an average effort grade which is satisfactory or better. Students who do not meet these requirements are not considered to have a complete academic record and *may* need to repeat Form 4.
4. Applications submitted by the deadline will be processed first.
